

Privacy Policy

Traust Data Limited respects your privacy and is committed to protecting your personal data. This privacy notice will inform you about the type of data we may collect, how we use it and as to how we look after your personal data when you visit our website (regardless of where you visit it from). We will always comply with the General Data Protection Regulation (GDPR) when dealing with your personal data.

Data Controller and Owner:

Traust Data Limited, 37 North End, Ditchling, Hassocks, England, BN6 8TD

enquiries@traustdata.com

Types of data collected:

This website can be used without providing any personal information. If you choose to provide personal data to us, the website will collect details including First Name, Last Name, Phone Number and Email Address. Among the other types of personal data that this website collects are Cookie and Usage Data. Any use of Cookies - or of other tracking tools - serves to identify your use of the website and to remember your preferences, for the sole purpose of providing the service required and making improvements to the website. Failure to provide certain personal data may make it impossible for this website to provide its services.

The use of collected data:

The data collected from you allows the website to provide its services, as well as for the following purposes:

- Contacting you by phone or email as specifically requested
- Analytics enabling us to monitor and analysis web traffic, and to track your use of the website and prepare reports
- Authentication and SPAM protection to analyse the traffic to the website, potentially containing personal data, with the purpose of filtering it from parts of traffic, messages and content that are recognised as SPAM.

Methods of processing data:

We have adopted GDPR compliant standards and technology to ensure that data is handled in a proper manner and shall take appropriate security measures to prevent unauthorised access, disclosure, modification, or unauthorised destruction of the data. The data processing is carried out using computers and/or IT enabled tools, following organisational procedures and modes strictly related to the purposes indicated.

Retention time:

We will hold your personal data on our systems for the time necessary to provide the service requested by you or stated by the purposes outlined in this document. You have the right, at any time, to contact us to request whether your data is being stored and to request that we amend, suspend or remove the data.

Changes to this Privacy Policy:

We reserve the right to make changes to this privacy policy at any time without prior notice. We recommend that you check our website at www.traustdata.com regularly for any updates.
